

YOUTH MENTORING

Get Engaged - Change a Life!

Meet Mutho!

Mutho is a witty, energetic, and caring 9-year-old boy, who loves soccer, Pokemon and math. Mutho has been enrolled in CCI's Mentoring Program for several months and is anxiously awaiting to be matched with a mentor.

Wouldn't it be great if you could show Mutho that his biggest dreams are within reach?

There are many youths, like Mutho, waiting for someone to step into their lives, to help them succeed.

YOU CAN BE THAT SOMEONE!

Walk Beside Them

CCI's youth mentoring program matches adults with youth between the ages of 9 and 17, to help students succeed in school, develop pro-social behaviors, prevent teenage substance use or abuse, and prepare adolescents for their next step in life. The challenges and isolation brought on by COVID-19 make it even more important to connect with our youth, and they need us more than ever.

The beauty of being a mentor is not in creating a better future for a child, but in seeing the greatness that is to come, and walking beside them in their journey.

Good mentors are flexible, have healthy boundaries, and are patient. They have a good sense of humor, good communication skills, and are enthusiastic about making a difference in the lives of young people.

Mentors must:

- be at least 18 years old
- have a valid driver's license
- pass a background check
- be a good role model

Won't you join us on this priceless journey? You've got a lot to give, and a lot to gain!

Rooted in the Gospel, CCI shares God's love with all in need by providing services and programs that support human well-being.
