

DÍA DE LOS NIÑOS 2018 CHILDREN'S DAY

Participation Form

In 2003, Governor Dirk Kempthorne affirmed his commitment to Idaho's children by signing into law El Día de los Niños/Children's Day, to be celebrated annually on April 30. Idaho was the first state in the nation to officially give children their own holiday. House Bill 259 was signed by Governor Dirk Kempthorne on March 20, 2003 and became effective July 1, 2003. Día de los Niños is celebrated throughout the world to honor children. Caldwell hosts an annual free, family-friendly event including games, hands-on activities for children and a chance to connect with others and learn about positive family programs.
