2021 GEM High School Internship Program

The Guide, Engage, Mobilize (GEM) High School Internship Program brings together passionate, curious, and innovative teens to make a difference in your community and get a behind the scenes look at the Idaho State Museum. You will network with professionals including archivists, curators, and designers as you advance important skills that will prepare you for college and career. Dive deeper into exciting topics and develop key skills through projects, programs, workshops, and volunteering. As a member of the Museum team, you will meet teens from across the Treasure Valley and work together to create exciting and educational experiences for visitors of all ages.
