

Multicultural Nursing Assistant Program

August – December, 2018 | Workforce Development

Are you interested in entry-level training in the medical field, learning how to care for those who can no longer take care of themselves? Is English your second language? This special class will provide English support while you learn nursing skills and achieve your Nursing Assistant Certification.

WHAT TO EXPECT:

- 102 hours of classroom training
- 32 hours of clinical experience
- 34 hours of tutoring / classroom support

After you finish the class you will be ready to take the state examination for Certified Nursing Assistant (CNA). Many jobs in medical workplaces require this certification.

To qualify for the class, you need to:

- Pass the GAIN English test.
- Pass the CASAS Listening test.

FIRST STEP: SCHEDULE YOUR GAIN READING TEST

Contact Liz Fleshman to schedule your GAIN test:

lizfleshman@cwidaho.cc

206.619.0277

After your test, contact Liz to find out if you are ready to come to an information session and listening test, or need to take free English classes first.
