MEALS  WHEELS™

SATURDAY, MARCH 19, 2016
10:30 a.m.–11 a.m.
KLEINER PARK, MERIDIAN

The March for Meals march event will depart from the park's bandshell.

March will be 1/3-mile long within the park.

There will be refreshments and a band.

No entry fee.

- Food Services of America will donate \$5 for each marcher.
- Each donation equals one nutritious meal for a senior.

Our goal is to have the largest march event in the country for the second straight year.

March for Meals is also a month-long observance to **spotlight senior hunger and food insecurity (one in seven seniors in America faces food insecurity on a regular basis)** and how Meals on Wheels solves the problem by providing daily hot, nutritious meals to seniors.

Help us have the largest march event in the country!
