

2021 Noche de Cine Community Event

5/17/21

Dear Program Supporter,

We are excited to announce several leaders and organizations in the Treasure Valley are currently organizing the first Noche de Cine at the Terrace Drive-In Theatre in Caldwell. The event will provide the opportunity for Latin Farm-Working families with an opportunity to engage with community organizations and learn about educational and other service opportunities in the Treasure Valley.

The Noche de Cine will take place on Sunday, June 27, 2021. Our objective is to invite and gather 200 Latin farm working families to a family evening event. They will have the opportunity to connect with Non-Profit community organizations, local colleges, and universities while enjoying the experience of seeing a movie at the local Terrace Drive-In Theatre. Many of our Latin families have yet to experience a theater viewing such as this. The goal of the Noche de Cine committee is to provide a fantastic *Familia* evening event. The families will receive free admission, be able to network, enjoy good music, win raffle prizes, and best of all, enjoy a Spanish *Pelicula* in a drive-in theatre!

We are asking you to show your support through sponsorship for this Latin Farm working familia event. Attached is information on the different levels you can sponsor the Noche de Cine at Terrace Drive-In Theatre. We look forward to our partnership and your support!

Thank You,

Ricardo Godina
