your health, get
motivated and
inspired by other
women, and find
the resources
you need.**

FOR MORE INFORMATION CALL: 208-309-5902 OR 208-727-8733

EVENT OVERVIEW

1. The event is a local community women focused event that is all inclusive. Women from all ages will come together to learn about their health, will be motivated and inspired by other women as they speak about their journeys and find the resources they need at the resource fair provided.
2. The event can only be provided with the collaboration of our partnerships with other organizations. There is no other event in our community like this where the women in our valley are the focus point and resources are provided as well as self-care sessions. Collaborating organizations are: The Hunger Coalition, Advocates, Blaine County, Nami.....
3. This even is geared to empowering women and improving their mental health by providing influential/well known guest speakers who can motivate women and inspire them to make positive changes in their life. Health and wellness exhibitors will be a part of our resource fair which will provide women with information and contacts to mental health needs and other personal needs they may have. The exhibitors will consist of; mental health organizations, nutrition and weight management, women's health checks, vision checks, financial budgeting, affordable insurance information.
4. Expected results are; women will leave with contact information to resources they need or haven't heard about, women will feel inspired and motivated to make changes in their lifestyles based on what they've learned. A pre and post evaluation will be requested from each participant to measure immediate outcomes.
5. There is one sponsorship level for business supporters of \$300 – 500; (your logo will be added to all of our marketing, guest speaker spotlight with a captive audience to promote your organization, reserved space to hang your organization's banner, and DJ frequent shout-outs of your organization's programs can be arranged). No registration fee for non-profits, but a contribution is appreciated in order to provide this free event for the community.
6. We are requesting that all contributions be gathered by May 31st to get our expenses paid and food/music reserved and have the event ready for June 29th.
7. We have a planning committee that consists of: Herbert and MaryCruz Romero, Projectools & Partners and Flourish, Ruby Garcia, St. Luke's Center for Community Health and volunteers, Teofila Mendoza, community member and leader of the Hunger Coalition's women's groups, Janet Murray, community member and event coordinator assistant, Angenie McCleary, Blaine County Commissioner
