Supporting the Growth and Success of Our Community

State of the State Dinner – Annual Event

Each year, the Hispanic Chamber hosts our State of the State Dinner, a special opportunity to break bread with our community. This event allows us to reflect on the achievements of the past year and share our goals and plans for the upcoming year. It's a time for connection, celebration, and looking ahead together.

This event wouldn't be possible without the generous support of local businesses and community members like you. The sponsorship packages included in this package outline how you can get involved. Your participation will not only help make this event a success but also contribute to the growth and strength of our entire community. We truly hope we can count on your support and look forward to partnering with you to make this year's dinner a memorable and impactful event.

Thank you for your consideration!
