Sponsorship Opportunity: 2026-27 Idaho Youth Leadership Summits

The Idaho Commission on Hispanic Affairs (ICHA) is dedicated to serving as the bridge between Idaho's government and Hispanic population.

About the Summits
The Idaho Youth Leadership Summits are the premier statewide events for emerging young leaders. Open to all students and engaging more than 2,500 participants each year, these one-day gatherings bring together youth from over 95 schools across Idaho.

Hosted in regions statewide, including the Treasure Valley, the Summits are made possible through the generous support of community partners and sponsors who share our commitment to investing in Idaho's future leaders. Designed to inspire, educate, and prepare the next generation of civic, academic, and professional leaders, these events provide a dynamic space where ambition and opportunity meet to shape Idaho's future.

With a focus on personal growth, leadership development, financial education, and community engagement, the Summits equip students with the skills and confidence to succeed in every aspect of life.

Our Mission
To serve as the bridge between Idaho's government and the Hispanic population. We represent our shared values and set priorities that foster positive relations, effective partnerships, and strategic initiatives to connect our community.
